

NATIONALLY CERTIFIED RAIL & CIVIL TRAINING

HANDS-ON TAILORED LEARNING THAT ENSURES
RAIL CORRIDOR READINESS COMPLIANT WITH
QUEENSLAND RAIL & THE NATIONAL RAIL STANDARD

GLH RAIL & CIVIL HAS PARTNERED WITH CALIBRE TRAINING AND DEVELOPMENT, A LEADING REGISTERED TRAINING ORGANISATION, AND WE ARE PLEASED TO PRESENT RAIL & CIVIL TRAINING TO THE INDUSTRY.

With the launch of the \$5.4 Billion Queensland Government Cross River Rail Project in Brisbane, and early works already commencing, this is the time to ensure that your workforce are meeting all the requirements for working on the project and also are best equipped with up to date industry skills and knowledge.

Our head trainer has significant industry experience in both the Rail and Civil industries, with 35 years working for Queensland Rail and GLH in many capacities including plant operator and Team Leader also taking this industry experience to a training role, where he has been an industry specialist trainer and assessor for the past 23 years.

We understand and have intensive knowledge of the Rail industry sector in Queensland and are able to provide a tailored solution ensuring course content is focused and relevant to your company and working in the Rail Corridor and compliant with Queensland Rail and the National Rail Standard.

Our hands-on learning and workplace training delivery will be tailored to your business on site at GLH headquarters or at your workplace.

THE COLLABORATION BETWEEN GLH RAIL & CIVIL AND CALIBRE TRAINING AND DEVELOPMENT BRINGS TOGETHER THE VERY BEST IN HANDS ON INDUSTRY SKILL AND TRAINING PROFESSIONALISM.
